Call for Papers

Advances in Bioscience and Biotechnology

ISSN: 2156-8456 (Print) ISSN: 2156-8502 (Online)

<https://www.scirp.org/journal/abb>

Advances in Bioscience and Biotechnology (ABB) is an international journal dedicated to the latest advancement of biosciences. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of biosciences. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy.

Subject Coverage

This journal invites original research and review papers that address the following issues in bioscience and biotechnology. Topics of interest include, but are not limited to:

- | | | |
|--------------------------|-------------------------|-----------------------|
| ■ Aerobiology | ■ Botany | ■ Molecular Biology |
| ■ Anthropology | ■ Cytobiology | ■ Nano-Bio-Analysis |
| ■ Biochemical Genetics | ■ Developmental Biology | ■ Neurobiology |
| ■ Biochemistry | ■ Ecology | ■ Pathology |
| ■ Bioinformatics | ■ Entomology | ■ Physiology |
| ■ Biological Engineering | ■ Enzyme Engineering | ■ Protein Engineering |
| ■ Biological Evolution | ■ Genetic Engineering | ■ Radiation Biology |
| ■ Biomathematics | ■ Genetics | ■ Virology |
| ■ Biophysics | ■ Immunology | ■ Zoology |
| ■ Biostatistics | ■ Microbiology | |

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the **ABB**.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. Authors are responsible for having their papers checked for style and grammar prior to submission to ABB. For more details about the submissions, please access the website.
