

Special Issue on Infectious Diseases and Public Health

Call for Papers

Infectious Diseases and Public Health focuses on the prevention, detection, treatment and control of infectious diseases and their impact on populations. It covers disease epidemiology, transmission and surveillance, vaccination, antimicrobial resistance, outbreak investigation, infection prevention and control, public health intervention and health policy. The topic also explores emerging infectious diseases, global health challenges and strategies for strengthening public health preparedness and response.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Infectious Diseases and Public Health**. Potential topics include, but are not limited to:

- Infectious disease epidemiology
- Medical microbiology
- Infectious disease modeling
- Antimicrobial resistance
- Disease surveillance and outbreak investigation
- Global health and infectious diseases
- Public health interventions
- Infection prevention and control
- Vaccines and immunization
- Emerging and re-emerging infections
- Vector-borne and zoonotic diseases
- Diagnostic microbiology & bioinformatics
- Infection control and hospital epidemiology
- Environmental and one health approaches
- Infectious disease policy and preparedness
- Social & behavioral sciences in infectious diseases
- Digital health for infectious disease control

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Infectious Diseases and Public Health**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 4th, 2027
Publication Date	March 2027

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
