

Special Issue on COVID-19 and Economic Development

Call for Papers

The COVID-19 outbreak has caused profound impacts on the economy at home and abroad. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of COVID-19 and Economic Development.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **COVID-19 and Economic Development**. Potential topics include, but are not limited to:

- Economic growth and recovery
- Emerging market
- Food security and sustainability
- Foreign investment
- Impact on dairy industry
- International economics
- Labour force and COVID-19
- Monetary policy
- Pandemic and economic impact
- Regional assessments
- Supply chains
- World bank

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Industrial Economics and Sustainable Development**” should be selected during your submission.
