

Table of Contents

Volume 5 Number 9

April 2014

Analysis of Rice Grain Quality-Associated Quantitative Trait Loci by Using Genetic Mapping	
B.-W. Yun, M.-G. Kim, T. Handoyo, K.-M. Kim.....	1125
Evaluation of Phenolic Content and Antioxidant Property of <i>Crossandra infundibuliformis</i> Leaves Extracts	
K. G. Patil, V. Jaishree, H. N. Poornachandra Tejaswi.....	1133
Genetic Diversity of the Palestinian Fig (<i>Ficus carica</i> L.) Collection by Pomological Traits and RAPD Markers	
M. S. Ali-Shtayeh, R. M. Jamous, S. Y. Abu Zaitoun, O. B. Mallah, A. Kh. Mubaslat.....	1139
Potential of <i>Vigna unguiculata</i> as a Phytoremediation Plant in the Remediation of Zn from Contaminated Soil	
J. Singh, P. Hembram, J. Basak.....	1156
Morphometry of Lipid Bodies in Embryo, Kernel and Mesocarp of Oil Palm: Its Aelationship to Yield	
L. S. Ho, A. Nair, H. M. Yusof, H. Kulaveerasingam, M. S. Jangi.....	1163
QTL Analysis of Yield Components in Rice Using a Cheongcheong/Nagdong Doubled Haploid Genetic Map	
G. H. Park, J.-H. Kim, K.-M. Kim.....	1174
Essential Oils from <i>Lippia Origanoides</i> Kunth. and <i>Mentha spicata</i> L.: Chemical Composition, Insecticidal and Antioxidant Activities	
M. L. Teixeira, M. das G. Cardoso, A. C. S. Figueiredo, J. C. Moraes, F. A. Assis, J. de Andrade, D. L. Nelson, M. de S. Gomes, J. A. de Souza, L. R. M. de Albuquerque.....	1181
Characterization of Congolese Strains of <i>Xanthomonas axonopodis</i> pv. <i>manihotis</i> Associated with Cassava Bacterial Blight	
G. Mamba-Mbayi, P. Tshilenge-Djim, K. K. Nkongolo, A. Kalonji-Mbuyi.....	1191
Situation of Biofungicides Reconnaissance, a Case of Anthracnose Disease of Cowpea	
V. I. Obi, J. J. Barriuso-Vargas.....	1202
Rooting Response of Air-Layered Shea (<i>Vitellaria paradoxa</i>) Trees to Media and Hormonal Application under Two Different Climatic Conditions	
J. Yeboah, B. K. B. Banful, P. Y. Boateng, F. M. Amoah, B. K. Maalekuu, S. T. Lowor.....	1212

Natural Distribution of *Nauclea diderrichii* (Rubiceae) in Semi Deciduous Forest of Togo (West Africa) and Implementation of Integrated Silviculture

K. Adjonou, Y. Nuto, P. P. Bosu, S. Adu-Bredu, A. D. Kokutse, K. Kokou.....1220

Evaluation of Tropical Legume Cover Crops for Copper Use Efficiency

N. K. Fageria, V. C. Baligar.....1236

Chemical Composition and Allelopathic Activity of *Parthenium hysterophorus* and *Ambrosia polystachya* Weeds Essential Oils

C. A. S. F. de Miranda; M. das G. Cardoso; M. L. M. de Carvalho; A. C. S. Figueiredo; D. L. Nelson; C. M. de Oliveira; M. de S. Gomes; J. de Andrade; J. A. de Souza; L. R. M. de Albuquerque.....1248

Effect of Foliar Application of Micronutrients on Fruit Quality of Peach

A. Ali, S. Perveen, S. N. M. Shah, Z. Q. Zhang, F. Wahid, M. Shah, S. Bibi, A. Majid.....1258

Tolerance of Winter Wheat (*Triticum aestivum* L.) and Under Seeded Red Clover (*Trifolium pretense* L.) to Fall Applied Post-emergent Broadleaf Herbicides

K. E. McNaughton, L. R. Brown, P. H. Sikkema.....1265

Chemical Control of Monocot Weeds in Wheat (*Triticum aestivum* L.)

Z. Mehmood, M. Ashiq, I. R. Noorka, A. Ali, S. Tabasum, M. S. Iqbal.....1272

Effects of Humic Acid and Crop Residues on Soil and Wheat Nitrogen Contents

K. Akhtar, S. N. M. Shah, A. Ali, S. Zaheer, F. Wahid, A. Khan, M. Shah, S. Bibi, A. Majid.....1277

Characterization of Short-Term Stress Applied to the Root System by Electrical Impedance Measurement in the First Leaf of Corn (*Zea mays* L.) and Pumpkin (*Cucurbita maxima* L.)

S. Laarabi.....1285

Competition Indices of Intercropped lupine (Local) and Small Cereals in Additive Series in West Gojam, North Western Ethiopia

Y. B. Bantie, F. A. Abera, T. D. Woldegiorgis.....1296

Wild Fruits Traditionally Gathered by the Malinke Ethnic Group in the Edge of Niokolo Koba Park (Senegal)

M. Gueye, N. C. Ayessou, S. Koma, S. Diop, L. E. Akpo, P. I. Samb.....1306

Pathogenicity Assay for *Cochliobolus heterostrophus* G-Protein and MAPK Signaling Deficiency Strains

O. Degani.....1318

Selection of Plus Tree Based on Growth Performance and Fiber Morphology Characteristics as Improved Sources for Propagation of *Eucalyptus camaldulensis*

N. A. Qader, N. A. Ab Shukor, A. S. M. Roseley.....1329

Allelopathic Effects of *Argemone mexicana* to Growth of Native Plant Species

H. S. Namkeleja, M. T. C. Tarimo, P. A. Ndakidemi.....1336

Morphological Study of *Glochidion obovatum* under Heavy Browsing Pressure by Sika Deer

S. Takei, K. Yoshioka, S. Yamada, H. Hayakawa, J. Yokoyama, K. Ito, S. Tebayashi, R. Arakawa, T. Fukuda.....1345

Physical Features of Some Selected Nigerian Maize Cultivars

A. O. Anthony.....1352

Effect of Arbuscular Mycorrhiza Fungal Inoculation with Compost on Yield and Phosphorous Uptake of Berseem in Alkaline Calcareous Soil

B. Jan, A. Ali, F. Wahid, S. N. M. Shah, A. Khan, F. Khan.....1359

Cembrane-Type Diterpenoids and a Phenolic Compound from the Leaves of a Thai Medicinal Plant, *Croton sublyratus* Kurz

Y. Oka, S. Kawakami, S. Sugimoto, K. Matsunami, H. Otsuka, D. Lhieochaiphant, S. Lhieochaiphant.....1370

***Rhynchostegium megapolitanum* (Web. et Mohr) B.S.G.—A Rare Bryophyte in Dune Ecosystems of Zealand, Denmark**

I. Johnsen.....1378

Testing Agro-Ecological Adaptation of Improved Herbaceous Forage Legumes in South-Kivu, D.R. Congo

M. M. D. Katunga, J. B. B. Muhigwa, K. J. C. Kashala, L. Ipungu, N. Nyongombe, B. L. Maass, M. Peters.....1384

Moss Propagules Banks in a Secondary Subtropical Moist Forest in Puerto Rico: A First Description

C. J. Pasiche-Lisboa, I. Sastre-De Jesús.....1394
