Volume 16 Number 1

January 2025

Assessment of a New Senegalese Sorghum (*Sorghum bicolor* (L.) Moench) Collection for Grain Yield and Tolerance to Anthracnose and Grain Molds

G. Kanfany, M. D. Sylla, C. Diatta, M. P. Sarr, S. Bodian, Y. A. B. Zoclanclounon..... 1

A Comparative Study of the Technological Characteristics of Cotton Fibers from Two Types of Gins in Côte d'Ivoire

B. J. Kouakou, T. V. Ouattara, K. C. Kobenan, K. E. N'Goran, N. F. Amangoua, M. Kouakou, N. M. Kouame..... 11

Perspective for Vegetative Reproduction of *Eleaagnus macrophylla* Thunb Species and *Shepherdia canadensis* (L.) Nutt

N. L. Uchkunovna, H. K. Kudratovich..... 22

Influence of *Bacillus* Strains on Biophysiological Processes in Plants

K. U. S. M. Kizi..... 28

Morphological and Phenological Characteristics of Ornamental Lianas (on the Example of Samarkand City)

S. M. E. Qizi, H. K. Kudratovich..... 35

Molecular Identification of Maize Streak Virus in Côte d'Ivoire

G. N. Bertrand, K. Moustapha, Y. Gnénakan, T. Seydou, O. Bakary, O. B. W. Miyasi, S. Drissa, K. Daouda, F. Sorho 41

Valorization of Ubiquitous Plant Species Used as Food Packaging in Benin: A Sustainable Solution to Improve Quality of Life and Protect the Environment

J. P. M. Fossou, Y. C. S. Adjovi, U. H. Ahéhéhinou, F. Tovo, S. E. Dédéhou 51

Effect of *Tithonia diversifolia* (Hemsley) and Inorganic Fertilizers on Morpho-Agronomic Characteristics of Rice (*Oryza sativa* L.) Grown on Oxisols in Democratic Republic of Congo

C. K. Nkongolo, G. M. Muyayabantu, A. M. Kayombo 64

Field Screening and Evaluation of the Varietal Performance of Jute and Allied Fiber Crops against Viral and Nemic Disease and Their Impact on Yield

F. Begum, K. Rashid, F. H. Fahim 76

Effects of Nitrogen Supply on the Physiological and Morphological Responses to Elevated [CO₂] in Yellow Birch (*Betula alleghaniensis* Britt.)

P. M. Godakanda, S. Inoue, B. Tedla, Q. Dang 88

Woody Diversity in Cult Places (Cemeteries, Mosques, and Parishes) in Ziguinchor City (Senegal)

A. Diallo, A. Sambou, L. Ndiaye, J. Bassene, T. Sarr, S. S. M. Ngom, E. N. Y. Diedhiou..... 114

Rhizobium-Based Biofertilizer for Rational Use of Mineral Nitrogen Fertilizers: Case Study of Common Bean Cultivation in Senegal

A. Diouf..... 133

Impact of *Sesbania pachycarpa* dc. (Fabaceae) in Millet Culture [*Pennisetum glaucum* (L.) R. Br. (Poaceae)] in Eastern Southeast Niger

M. Adamou, T. D. A. Karim, A. A. Moussa, A. I. M. Laouali, T. A. Karim, A. A. Kolafane, I. M. Maarouhi,
D. Soumana, B. Yacoubou, M. Ali 146

Forest Soil Organic Carbon Review

L. Guan, Y. Sun, M. Yuan, J. Li, Y. Zhang, J. Tang 155

Study on Combining Ability for Yield and Yield Contributing Characters of Short Statured Maize Inbred Lines at over Locations

M. M. Billah, M. Q. I. Matin, M. Z. A. Talukder, M. Harun, M. K. Alam, S. Sharmin, P. Subramanyam,
M. Ibrar 170

Characterisation of Resistance Potential to Biofilms Microbial Contaminating *Thaumatococcus daniellii* and *Musa paradisiaca* Leaves Used as Food Packaging

C. K. D. Benie, N. D. Kouame, K. Atobla, Y. P. Attien, W. A. Tuo, A. Traore, N. J. Diarrassouba, A. Dadie,
M. Dosso 180
