Special Issue on Education and Skills Development

Call for Papers

"Education and Skills Development" is an academic topic concerned with the processes and strategies involved in imparting knowledge, fostering learning, and honing skills in individuals. It explores various approaches, methodologies, and interventions used to enhance educational systems and promote the acquisition and development of essential skills for personal, professional, and societal growth. This field delves into topics such as curriculum design, instructional techniques, assessment methods, lifelong learning, and the relationship between education and socio-economic development.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Education and Skills Development**. Potential topics include, but are not limited to:

- Learning skills and styles
- Curriculum development and design
- Assessment and evaluation
- Education policy and reform
- Cognitive and creative skill development
- Problem solving
- Social and emotional learning
- Social interpersonal skills
- Intercultural skills
- Psychological skills in education
- Language skills
- Collaboration, innovation and leadership
- Academic skill and achievement
- Teacher education and professional development
- Vocational education, Lifelong learning and skill development
- Early childhood education and development
- E-Learning & technology skills
- Education for sustainable development

Authors should read over the journal's For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's Paper Submission System.

Please kindly notice that the "**Special Issue**" under your manuscript title is supposed

to be specified and the research field "**Special Issue – *Education and Skills Development***" should be chosen during your submission.

According to the following timetable:

Submission Deadline	March 6th, 2024
Publication Date	May 2024
