
Special Issue on Case Reports in Infectious Diseases

Call for Papers

Case Reports in Infectious Diseases focuses on detailed clinical reports of individual patients with infectious diseases caused by bacteria, viruses, fungi or parasites. It documents unusual presentations, rare pathogens, diagnostic challenges, treatment responses and clinical outcomes. The field contributes to medical knowledge by improving disease recognition, guiding clinical practice, and supporting the identification of emerging infections and novel therapeutic approaches.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Case Reports in Infectious Diseases**. Potential topics include, but are not limited to:

- Diagnosis and clinical manifestations of infectious diseases
- Therapeutic innovations and case-based treatment strategies
- Diagnostic challenges and novel techniques
- Epidemiology and surveillance of infectious diseases
- Prevention and control
- Rare or atypical infections
- Vaccine-preventable disease cases
- Co-infections and complex disease interactions
- Atypical presentations of common infections
- Bacterial infection case reports
- Fungal, viral, and parasitic Infections with unusual courses
- Tropical and neglected tropical diseases
- Travel-related and zoonotic infections
- Antimicrobial resistance and superbugs
- Immunocompromised host infections
- Sexually transmitted infections and complications
- Healthcare-associated and device-related infections
- Pediatric and congenital infectious diseases
- Emerging and re-emerging infectious diseases

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed

to be specified and the research field “**Special Issue – Case Reports in Infectious Diseases**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	August 21st, 2026
Publication Date	October 2026

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
