

Table of Contents

Volume 5 Number 7

July 2017

Study and Analysis of Meteorological Effect on Shanghai Sheshan National Tourist Resorts in Shanghai

Y. L. Rong, X. Zhang, Q. S. He.....11

Study on the Correlation between Temperature and Chronic Obstructive Pulmonary Disease in Shijiazhuang, China—Retrospective Cohort

G. Q. Fu, X. K. Zhang, H. Y. Liu.....23

Study on Precipitation Forecast and Testing Methods of Numerical Forecast in Fuxin Area

X. Zhang, J. Liu, Y. Gao, X. T. Yang.....32

Polarimetric Meteorological Satellite Data Processing Software Classification Based on Principal Component Analysis and Improved K-Means Algorithm

M. Y. Lin, X. G. Zhao, C. Q. Fan, L. Z. Xie, L. Wei, P. Guo.....39

Algorithm for the Sea Surface Wind Imaging Products of Fengyun-3C Meteorological Satellite MWRI

D. W. An, F. L. Dou, P. Zhang.....49

Review on Estimation of Crop Water Requirement, Irrigation Frequency and Water Use Efficiency of Cabbage Production

S. Beshir.....59

Morphometric Analysis of Gilgit River Basin in Mountainous Region of Gilgit-Baltistan Province, Northern Pakistan

K. Ali, R. M. Bajracharya, B. K. Sitaula, N. Raut, H. L. Koirala.....70

Impact of the Barents Sea SST in Autumn on the Winter Climate in Northeast China

X. M. Shi, Y. Gu, J. L. Sun, J. S. Dong, M. Geng.....89

Effects Assessment of Summer Fishing Moratorium in Daya Bay in the Northern South China Sea

J. Yu, Q. W. Hu, H. R. Yuan, F. Tong, P. M. Chen, J. M. Mao.....96

Sesame Husk as Adsorbent for Copper(II) Ions Removal from Aqueous Solution

H. A. El-Araby, A. M. M. A. Ibrahim, A. H. Mangood, A. A.-H. Abdel-Rahman.....109

Evaluation of the Application Benefit of Meteorological High Performance Computing Resources

M. Wei, B. Wang.....153

Evidence of Some Major Structures Underlying the Douala Sedimentary Sub-Basin: West African Coastal Basin

E. N. Ndikum, C. T. Tabod, F. Koumetio, N. C. Tatchum, K. J. Victor.....161

Anthropogenic Impacts on the Distribution and Biodiversity of Benthic Macroinvertebrates and Water Quality of the Boufekrane River, Meknes, Morocco

L. Karrouch, A. Chahlaoui, A. Essahale.....173

Analysis of the Characteristics of the Haze in Recent 3 Decades in Chengdu

N. Xie, P. Yao, D. F. Xu, D. F. Zhang.....196

Characteristics of South Asia High in Summer in 2010 and Its Relationship with Rainbands in China

X. N. Cai, Y. Li, X. K. Zhang, Y. Y. Bao.....210
