

Special Issue on Military Medicine

Call for Papers

Military Medicine continues the evolving process of broadening its range, responsibilities, and resources, in combination with continued progress in developing unique skills and knowledge at the end of the first decade of the 21st century. Liking other physician specialists, **military medicine** face the challenge of keeping updated with developments in their field of expertise.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **military medicine**. Potential topics include, but are not limited to:

- Aviation medicine
- Bioterrorism
- Combat casualty care
- Disaster Medicine
- Emergency medicine
- Field Hospital
- Field medicine
- Flight medicine
- Force protection

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Military Medicine**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	December 30th, 2014
