

## TABLE OF CONTENTS

**Volume 3    Number 6**

**October 2013**

**Emotional and Physical Distress Relief Using a Novel Endorphinergic Formulation**

S. Crain, M. A. Crain, S. M. Crain.....441

**Prefrontal and Accumbal Electric Activity during Auditory Stimulation in Virgin Female Rats:  
Changes Related to the Estrous Cycle**

M. Hernández-González, D. R. C. G. Abascal, M. Á. Guevara, R. A. R. Orozco, M. L. A. Sepúlveda, L. E. F. Mancilla.....454

**Why Voluntary Postural Training Improves Recovery of Mental and Motor Functions in Patients  
with Traumatic Brain Injury?**

L. Zhavoronkova, A. Zharikova, O. Maksakova.....463

**The Effectiveness of Cognitive Rehabilitation on Improving the Selective Attention in Patients  
with Mild Cognitive Impairment**

A. S. Oskoei, V. Nejati, B. Ajilchi.....474

**Dopamine and GABA Interaction in Basal Ganglia: GABA-A or GABA-B Receptor Stimulation  
Attenuates L-DOPA-Induced Striatal and Nigral ERK1/2 Signaling in a Rat Model of Parkinson's  
Disease**

S. Lynch, S. P. Sivam.....479

**From Micro to Macro: Regulation Up- and Down-Adult Neurogenesis Process**

A. C. Nunciato, E. L. Meirelles, P. F. Gardino.....489
