Publication Date: November 2018

Call for Papers

Special Issue on Esophageal Cancer

In Journal of Cancer Therapy (JCT, ISSN Online: 2151-1942)

Detailed information about this journal: [Indexing](#), [Editorial Board](#), [Author's Guidelines](#)

Esophageal cancer is cancer arising from the esophagus—the food pipe that runs between the throat and the stomach. Symptoms often include difficulty in swallowing and weight loss. Other symptoms may include pain when swallowing, a hoarse voice, enlarged lymph nodes around the collarbone, a dry cough, and possibly coughing up or vomiting blood.

We sincerely welcome scholar and expert with relative academic backgrounds to submit original research paper or review paper to this special issue on **Esophageal Cancer**. Potential topics or areas include, but are not limited to:

- Risk factors, diagnosis and treatment
- Esophageal adenocarcinoma
- Gastroesophageal cancer
- Chemotherapy and radiotherapy
- Esophagectomy for esophageal cancer

Submission Methods:

Submit a paper to this special issue or regular issue of our any journal via [Paper Submission System](#) or attach paper in an email sent to submission.entrance1@scirp.org (please indicate the name of our journal or special issue; any inquiry is also welcome).

Friendly tip: please bookmark this page in your web browser if you consider contributing to our journal or special issue in the near future.
