

## Special Issue on Blood Cancer

### Call for Papers

**Blood cancer** begins in blood-forming tissue, such as the bone marrow, or in the cells of the immune system. Examples of blood cancer are leukemia, lymphoma, and multiple myeloma.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Blood Cancer**. Potential topics include, but are not limited to:

- Leukaemia
- CLL
- Hodgkin lymphoma
- Multiple myeloma
- Myelodysplastic syndromes
- Chemotherapy
- Radiotherapy
- Pharmacotherapy
- Diagnosis and treatment

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Blood Cancer**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 15th, 2019
Publication Date	March 2019

For publishing inquiries, please feel free to contact the Editorial Assistant at [submission.entrance1@scirp.org](mailto:submission.entrance1@scirp.org)
