

TABLE OF CONTENTS

Volume 4 Number 3

March 2013

Impact of Different Tillage Methods on Silty Loam Luvisol Water Content in Sugar Beet (*Beta vulgaris* L.) Crop

K. Romaneckas, E. Šarauskis, L. Masilionytė, A. Sakalauskas, V. Pilipavičius.....219

Development of an Indicator Scheme for the Environment Impact Assessment in the Federal District, Mexico

M. Perevochtchikova, I. A. R. Negrete.....226

The Role of Advanced Biological Data in the Rationality of Risk-Based Regulatory Decisions

D. Crawford-Brown.....238

Comparative Study of Lead Removal by Extracts of Spinach, Coffee, and Tea

N. Lathan, S. Edwards, C. Thomas, L. Agwaramgbo.....250

Charting the Course for Sustainable Small Island Tourist Development

T. L. McKee.....258

Equilibrium Sorption of Lead and Nickel from Solutions by Flame of the Forest (*Delonix regia*) Pods: Kinetics and Isothermic Study

A. A. Festus, O. A. Elvis, A. B. Morayo.....261

Evaluation of the Physicochemical Behavior of Waste Water Treatment Polyelectrolytes with Metal Ions

E. A. L. Maldonado, M. T. O. Guzmán, G. Pina-Luis, A. Ochoa-Terán.....270

Chemically Modified *Cornulaca monacantha* Biomass for Bioadsorption of Hg (II) from Contaminated Water: Adsorption Mechanism

A. Hashem, K. A. Al-Kheraije.....280

Wastewater Pollution Abatement in China: A Comparative Study of Fifteen Industrial Sectors from 1998 to 2010

H. Fujii, S. Managi, S. Kaneko.....290

Implementation of Effluent Treatment Plants for Waste Water Treatment

Z. Sultana, Md. Ershad Ali, Md. Sala Uddin, Md. Mominul Haque.....301

The figure on the front cover is from the article published in Journal of Environmental Protection, 2013, Vol. 4, No. 3, pp. 226-237 by Maria Perevochtchikova and Iskra Alejandra Rojo Negrete.
