Volume 11 Number 6

December 2019

Integration of Location-Allocation and Accessibility Models in GIS to Improve Urban Planning for Health Services in Al-Madinah Al-Munawwarah, Saudi Arabia

A. Abdelkarim.....633

Building Smart Cities by Using Enterprise GIS in Saudi Arabia

A. M. Almontshery, F. M. Jamalallail.....663

Research and Teaching Applications of Remote Sensing Integrated with GIS: Examples from the Field

L. C. Loyola, J. T. Knowles, A. J. Marx, R. McAlinden, S. D. Fleming.....670

Altimetry Quality of SRTM and ASTER GDEM Products for Areas with Different Reliefs

V. da Silva Celestino Reginato.....683

Research on Traffic Accessibility and Transportation Integration Level of Chang-Zhu-Tan City Group in China

C. K. Li, Q. L. Zhou, K. S. Ma, J. Fang, W. T. Yang.....715

GIS-Based Multi-Criteria Decision Analysis for the Sustainable Management of the Nkong Zem Pipe-Borne Water Network: West Region of Cameroon

E. Kah, N. T. Therry, N. M. Innocent.....727

Digitizing the Undigitized: Converting Traditional Archaeological Records into Computerized, Three-Dimensional Site Reconstruction

N. Alperson-Afil.....747

Geological Context Mapping of Batouri Gold District (East Cameroon) from Remote Sensing Imaging, GIS Processing and Field Works

B. Jean-Claude, T. Rigobert, E. Joachim, F. T. Périclex, D. M. G. G. Basile.....766
