

Special Issue on Socioeconomics and Social Development

Call for Papers

Socioeconomics is the social science that focuses on the relationship between social behavior and economics. It studies how economic activity affects and is shaped by social processes. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Socioeconomics and Social Development.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Socioeconomics and Social Development**. Potential topics include, but are not limited to:

- Economic development policies
- Economic growth
- Economics and social development
- Industrialization
- Macroeconomics
- Political economy
- Poverty
- Regional development
- Social change
- Social mobility
- Socioeconomic status
- Sustainable development

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Socioeconomics and Social Development**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	April 18th, 2023
Publication Date	June 2023
