

Table of Contents

Volume 14 Number 8

August 2023

Characteristics Evaluation of Modern Bituminous Binders in Group Hydrocarbon Composition and Their Application in Construction

V. Koshkarov, I. Shunyaev, E. Koshkarov.....407

Synthesis and Characterization of Aluminum Alloys with Metal Oxides (CuO₂) Additions as Reinforcement

R. A. Falcón-Castrejón, J. L. Román-Zubillaga, R. Guardián-Tapia, L. Falcón-Franco,
I. Rosales-Cadena.....416

Employment of Waste from the Textile Industry for the Production of Nanocomposites Aiming at the Generation of Thermal Shrinkable Films and the Non-Formation of Microplastics

D. S. Garcia, B. de Paula Amantes, M. I. B. Tavares.....426
