

Table of Contents

Volume 5 Number 3

September 2015

Effect of Particle Addition on Ultrasonic Degradation Reaction Rate

D. Kobayashi, K. Shimakage, C. Honma, H. Matsumoto, K. Otake, A. Shono.....67

Dramatic Influence of the Magnetoelectric Effect on the Existence of the New SH-SAWs Propagating in Magnetoelastoelectric Composites

A. A. Zakharenko.....73

The Dispersion Method for Estimating Non-Linearity of Electro-Acoustic Systems in the Presence of Additive Noise

V. D. Svet.....88

A Study of New Nondispersive SH-SAWs in Magnetoelastoelectric Medium of Symmetry Class 6 mm

A. A. Zakharenko.....95

To the Question of Sound Waves Propagation in Liquid

V. P. Ivanov, G. K. Ivanova.....112

On New Dispersive SH-Waves Propagating in Piezoelectromagnetic Plate

A. A. Zakharenko.....122
