

Special Issue on
Leadership and Organizational Management
Call for Papers

Leadership is the ability to influence a group toward the achievement of a vision or set of goals. It plays a major role in organizational management for organizing, planning, leading and controlling resources within an entity with the overall aim of achieving its objectives.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Leadership and Organizational Management**. Potential topics include, but are not limited to:

- Management, strategy and leadership
- Leadership and innovation
- Planning, leading and controlling
- Organizational behaviors and effectiveness
- Leader behaviors
- Policy and decision-making
- Human resource management
- Leadership and team performance
- Organizational change and development
- Risk management

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Leadership and Organizational Management**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	February 4th, 2021
Publication Date	April 2021
