# Special Issue on Business Finance and Investment

## Call for Papers

Business Finance and Investment is an academic field that examines financial decision-making, capital allocation and investment strategies within business environments. It covers corporate finance, financial planning, risk management, investment analysis, valuation, portfolio management and financing decisions. The field explores how businesses optimize financial resources, enhance performance and create long-term value through effective financial strategies. It integrates economic analysis, financial technologies and data-driven approaches to support sustainable business growth and investment outcomes.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Business Finance and Investment.** Potential topics include, but are not limited to:

- Corporate Finance and Financial Strategy
- Corporate Capital Structure and Financing Policy
- Investment Analysis and Portfolio Management
- Mergers, Acquisitions and Corporate Restructuring
- Asset Pricing and Factor-Based Investing
- Financial Risk Management
- Foreign Direct Investment
- Business Valuation and Corporate Performance
- Sustainable Finance and ESG Investment
- Financial Markets and Investment Behavior
- Corporate Governance and Financial Decision-Making
- FinTech and Digital Finance
- International Finance and Global Investment
- Entrepreneurial Finance and Venture Investment

**Authors should read over the journal's [For Authors] carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System].**

Please kindly notice that the "**Special Issue**" under your manuscript title is supposed to be specified and the research field "**Special Issue – *Business Finance and Investment***" should be chosen during your submission.
