

Special Issue on Gynecologic Oncology

Call for Papers

Gynecologic Oncology is a specialized field that concerns cancers of the female reproductive tract. It involves in the detection, treatment and prevention of female cancers, as well as any other disciplines related to this field of interest.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Gynecologic Oncology**. Potential topics include, but are not limited to:

- Endometrial cancer
- Ovarian cancer
- Cervical cancer
- Vaginal cancer
- Uterine cancer
- Colposcopy
- Pathology
- Radiotherapy
- Chemotherapy
- Gynecologic surgery

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Gynecologic Oncology**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	June 16th, 2016
Publication Date	August 2016

Guest Editor:

Dr. Samir A. Farghaly
Cornell University, USA
