

## Special Issue on Pregnancy and Medicine

### Call for Papers

When pregnant, health problems still followings as usual, and some conditions even begin to appear because of the pregnancy. However, not all medicines are safe to take when pregnant. Some medicines can be harmful to the mother and the unborn baby.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Pregnancy and Medicine**. Potential topics include, but are not limited to:

- Allergy
- Cold and flu
- Constipation
- Diarrhea
- Headache
- Heartburn
- Hemorrhoids
- Nausea and vomiting
- Rashes
- Yeast infection

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Pregnancy and Medicine**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	February 20th, 2018
Publication Date	April 2018
