

Special Issue on
Fertility, Infertility and Reproductive Medicine
Call for Papers

Fertility, Infertility and Reproductive Medicine is a multidisciplinary field focused on human fertility, reproductive health, and the diagnosis and management of infertility. It covers reproductive physiology, fertility assessment, assisted reproductive technologies, reproductive endocrinology, male and female infertility, fertility preservation, reproductive genetics and hormonal disorders. The field also explores advances in clinical treatments and technologies aimed at improving reproductive outcomes and supporting individuals and couples throughout their reproductive lives.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Fertility, Infertility and Reproductive Medicine**. Potential topics include, but are not limited to:

- Reproductive Endocrinology and Hormonal Disorders
- Female Infertility and Reproductive Disorders
- Assisted Reproductive Technologies (ART)
- In Vitro Fertilization (IVF) and Embryology
- Ovulation and Ovarian Function
- Polycystic Ovary Syndrome (PCOS) and Fertility
- Endometriosis and Reproductive Health
- Fertility Preservation and Cryopreservation
- Reproductive Genetics and Genomics
- Preimplantation Genetic Testing
- Reproductive Immunology
- Uterine and Endometrial Disorders
- Oocyte and Embryo Biology
- Fertility Assessment and Diagnostic Methods
- Reproductive Surgery and Microsurgery
- Early Pregnancy and Implantation
- Recurrent Pregnancy Loss & Implantation Failure
- Fertility Counseling and Psychosocial Support
- Lifestyle and Environmental Impacts on Fertility
- Public Health and Reproductive Epidemiology
- Emerging Technologies in Reproductive Medicine

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Fertility, Infertility and Reproductive Medicine**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 11th, 2027
Publication Date	March 2027

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
