

Special Issue on Dentistry and Oral Health

Call for Papers

Dentistry and Oral Health is an interdisciplinary field focused on the prevention, diagnosis, and treatment of diseases and conditions affecting the teeth, gums and oral cavity. It encompasses restorative dentistry, periodontology, orthodontics, endodontics, oral surgery, pediatric dentistry and preventive oral care. The field integrates clinical research, advanced technologies, and evidence-based practices to improve oral health, preserve dental function, enhance patient well-being, and promote overall health and quality of life.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Dentistry and Oral Health**. Potential topics include, but are not limited to:

- Restorative Dentistry and Dental Materials
- Periodontology and Gum Diseases
- Orthodontics and Dentofacial Orthopedics
- Endodontics and Root Canal Treatment
- Oral and Maxillofacial Surgery
- Pediatric Dentistry and Child Oral Health
- Prosthodontics and Dental Rehabilitation
- Dental Implantology and Implant Dentistry
- Preventive Dentistry and Oral Health Promotion
- Oral Medicine and Oral Diagnosis
- Oral Microbiology and Dental Infections
- Dental Caries and Tooth Decay Research
- Oral and Maxillofacial Radiology
- Geriatric Dentistry and Aging-Related Oral Health
- Oral Cancer and Maxillofacial Pathology
- Esthetic and Cosmetic Dentistry
- Dental Public Health and Epidemiology
- Digital Dentistry and Dental Technology
- Temporomandibular Disorders and Orofacial Pain
- Dental Education, Clinical Research and Evidence-Based Practice

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed

to be specified and the research field “**Special Issue – Dentistry and Oral Health**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 31st, 2027
Publication Date	March 2027
