

Special Issue on Mental Health & Psychological Study

Call for Papers

Mental Health & Psychological Study is an academic field that investigates cognitive, emotional, and behavioral processes underlying mental well-being and psychological disorders. It examines the causes, assessment, prevention, and treatment of mental health conditions through theoretical, clinical, and empirical approaches, aiming to improve individual functioning, psychological resilience, and overall quality of life across diverse populations.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Mental Health & Psychological Study**. Potential topics include, but are not limited to:

- Clinical psychology and psychopathology
- Counseling and psychotherapy research
- Cognitive psychology and mental processes
- Developmental psychology and mental health
- Psychological interventions and therapies
- Stress, trauma and coping studies
- Depression and anxiety
- Health psychology and behavioral medicine
- Positive psychology and well-being
- Personality & individual differences
- Cognitive behavioral therapy
- Early detection and prevention of mental disorders
- Mental health assessment
- Mental health education and promotion
- Social psychology and mental well-being
- Cultural and cross-cultural psychology
- Prevention and public mental health
- Occupational & organizational psychology
- Digital mental health & technology-based interventions

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Mental Health & Psychological Study**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	April 20th, 2026
Publication Date	June 2026

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
