

Special Issue on Applied Positive Psychology

Call for Papers

Applied Positive Psychology is an interdisciplinary academic field that applies the principles of positive psychology to enhance well-being, resilience and optimal human functioning across individuals, organizations, and communities. It examines evidence-based interventions that promote positive emotions, character strengths, motivation, life satisfaction and mental health. The field integrates insights from psychology, education, healthcare and organizational studies to improve performance, relationships and overall quality of life in diverse settings.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Applied Positive Psychology**. Potential topics include, but are not limited to:

- Positive experiences and behavior
- Positive emotions
- Well-being, satisfaction and happiness
- Character strengths and virtues
- Strengths-based interventions
- Positive health psychology
- Positive interventions and therapies
- Resilience and psychological adaptation
- Optimism and emotional intelligence
- Mindfulness and positive interventions
- Positive relationships and social well-being
- Health and lifestyle psychology
- Positive organizational psychology
- Positive education
- Positive youth development
- Positive parenting and family relationships
- Positive psychology across the lifespan
- Positive technology and digital well-being
- Environmental and sustainability positive psychology

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed

to be specified and the research field “**Special Issue – *Applied Positive Psychology***” should be chosen during your submission.

According to the following timetable:

Submission Deadline	October 5th, 2026
Publication Date	December 2026
