
Special Issue on
Cardiovascular Diseases and Risk Factors

Call for Papers

Cardiovascular Diseases and Risk Factors investigates disorders of the heart and blood vessels and the biological, behavioral, and environmental factors that contribute to them. It covers conditions such as coronary artery disease, hypertension, and stroke, and examines risks including obesity, smoking, poor diet, physical inactivity, and genetics. The field aims to improve prevention, early detection, and treatment to reduce morbidity and mortality worldwide.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Cardiovascular Diseases and Risk Factors**. Potential topics include, but are not limited to:

- Coronary artery disease
- Cardiovascular imaging and diagnostics
- Cardiovascular surgery and intervention
- Cardiac rehabilitation and exercise science
- Genetic and molecular cardiology
- Valvular heart disease
- Atherosclerosis and vascular biology
- Hypertension research
- Coronary heart disease and myocardial infarction
- Heart failure and cardiac remodeling
- Cardiomyopathy
- Cardiac arrhythmias and electrophysiology
- Peripheral arterial disease
- Stroke and cerebrovascular diseases
- Congenital heart disease and pediatric cardiology
- Obesity and metabolic syndrome
- Cardiovascular health promotion
- Behavioral and lifestyle risk factors
- Non-modifiable risk factors
- Preventive cardiology and public health
- Cardiovascular epidemiology

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Cardiovascular Diseases and Risk Factors**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	March 10th, 2026
Publication Date	May 2026

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
