

Special Issue on Cardiovascular Diseases and Risk Factors

Call for Papers

Cardiovascular Diseases and Risk Factors is an interdisciplinary academic field that investigates the causes, prevention, diagnosis and treatment of disorders affecting the heart and blood vessels, including coronary artery disease, heart failure, stroke and hypertension. It examines genetic, behavioral, environmental and metabolic risk factors such as obesity, diabetes, smoking and dyslipidemia. The field aims to improve cardiovascular health through clinical research, preventive strategies and advances in medical care and public health interventions.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Cardiovascular Diseases and Risk Factors**. Potential topics include, but are not limited to:

- Coronary artery disease and ischemic heart disease
- Cardiovascular imaging and diagnostic technologies
- Cardiovascular surgery and intervention
- Cardiovascular epidemiology
- Cardiac rehabilitation and exercise science
- Genetic and molecular cardiovascular research
- Valvular heart disease
- Atherosclerosis and vascular biology
- Hypertension and blood pressure regulation
- Coronary heart disease and myocardial infarction
- Heart failure and cardiac dysfunction
- Cardiomyopathy
- Cardiac arrhythmias and electrophysiology
- Thrombosis, hemostasis and antithrombotic therapy
- Peripheral arterial disease
- Stroke and cerebrovascular diseases
- Congenital heart disease and pediatric cardiology
- Metabolic and lifestyle risk factor
- Cardiovascular health promotion
- Preventive cardiology and public health

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Cardiovascular Diseases and Risk Factors**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	October 20th, 2026
Publication Date	December 2026

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
